Extra Days

Going forward from September any extra days booked will need to be paid at the time of booking. We will be unable to carry any extra days across to the following month.

School Runs

As we look to re start school runs in September, can we ask that all children who require a morning drop off to school are in nursery by **7.45am**. This is to ensure children have enough Time For breakfast and to leave with enough time to get children to school on time as there is often more than 1 school drop per car.

Please can all children supply spare clothes and nappy sacks/carrier bag. The children do many different activities during the day which may get a little messy. All dirty clothing will be sent home at the end of the day.
